

July 09 PEG Manager's Report

Accomplishments

1. Our new wiki site is being announced regularly to the public
2. Live Broadcasts are happening...Local Artist Showcase, a newscast by Gabby Fellows & Clearlake Fireworks with others showing interest in their own programs
3. More members of the public getting involved-Judy Johnson, Vito Santana & Gabby Fellows
4. Many positive calls from public on the changes, greatest complaint is sound variation on sound levels, only one negative call..."Liberal fruitcake station"
5. Used our audio mixing board for broadcast of Local Artist Network for 1st time
6. Ed Robey is helping with getting it DVD burner up & running with new software
7. Visit by Dante DeAmicis, Gabby Fellows & myself to Access Humbolt TV Station to tour their new facility & interview the manager

Goals for Coming Month

1. Overlays, slide shows, emergency messages & virtual channels tested & implemented
2. Aux audio switcher routed so multiple audio sources can be used with bulletin board & other video sources
3. New forms-Check-out form/cards &/(Procedures for complaints)
4. Procedure manual starte
5. Live broadcast form &/instructions developed with PEG Committee
6. More users approved for the UltraNexus & PEG Central
7. Purchase more equipment...

Goals Needing Approval

1. Purchasing of audio & video equipment especially racks, back-up modulator
